

Step Three

1) HOW TO TAKE IT (Suggestions)

- a) Take this step with your sponsor, another member of A.A or an understanding friend.
- b) Read each question out loud to the person of your choice. Mark or check off in the Yes or No box

REMEMBER TO DO IT OUT LOUD!!

- c) If you are convinced of the attached questions, you will be feeling comfortable with this step and should move on to the next step.

2) WHAT SHOULD I DO IF I'M NOT CONVINCED?

(Some suggestions are as follows)

- a) Let your sponsor know of your problem. Review the step with him or her. Pinpoint the part of the step you are having problems with.
Be honest with yourself!
- b) Go back to the previous step. Perhaps the problem is there. "Am I sincerely convinced of step 2?"
- c) Read and re-read the chapter that carries the main thrust on step 3, namely, "How it Works - pages 58-63" (Read 100 times if necessary).
- d) Go to as many meetings as possible. Hearing and listening for words that will help convince you.
